FORM 4.13

My New Bill of Rights

It is important to know and exercise your rights. In the left-hand column, list the rights you believe you should have. In the right-hand column, list the ways you can pursue these rights. Think of "action plans" for yourself—actions you could take in the future to make sure that your rights and needs are met.

I have a right to . . .	**Therefore I can . . .**
How would you be better off with this new bill of rights?	
If you had a son or daughter, what bill of rights would you like him or her to have for him- or herself? Why?
